To Whom it May Concern:

This letter is in regards to docket number 98P-0151/CP1. The inhumane practices of the downed animal trade are not only barbaric and intolerable; they can lead to unnecessary health risks to humans as well.

My concerns are to lend support to putting an end to this atrocity that so many sickened, lamed animals have had to suffer.

Thank you for your time and consideration to this very sad matter.

Sincerely,

Marie Forman
